

How to login to the member information of Hull YC

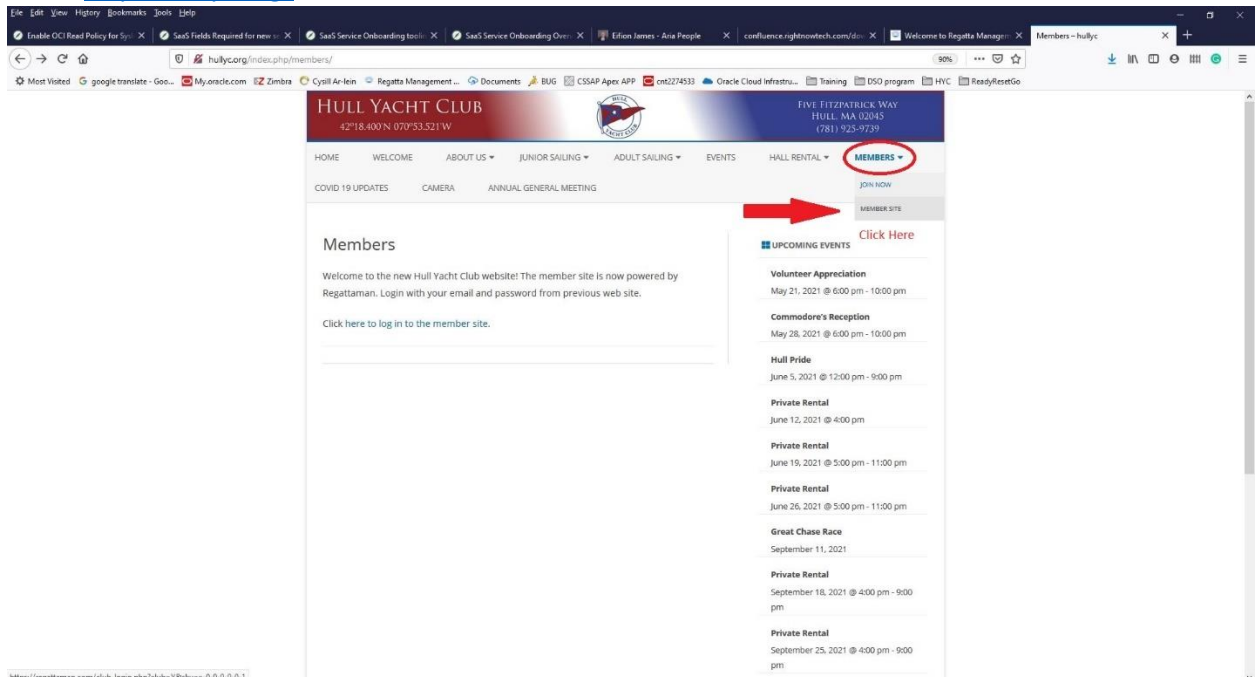

Hull Yacht Club member information is held in the Regattaman application. You should use the following guide if you are an existing Hull Yacht Club member. This is not the process for requesting membership.

There are two ways to get to the login screen:

1. Directly to <https://www.regattaman.com/>

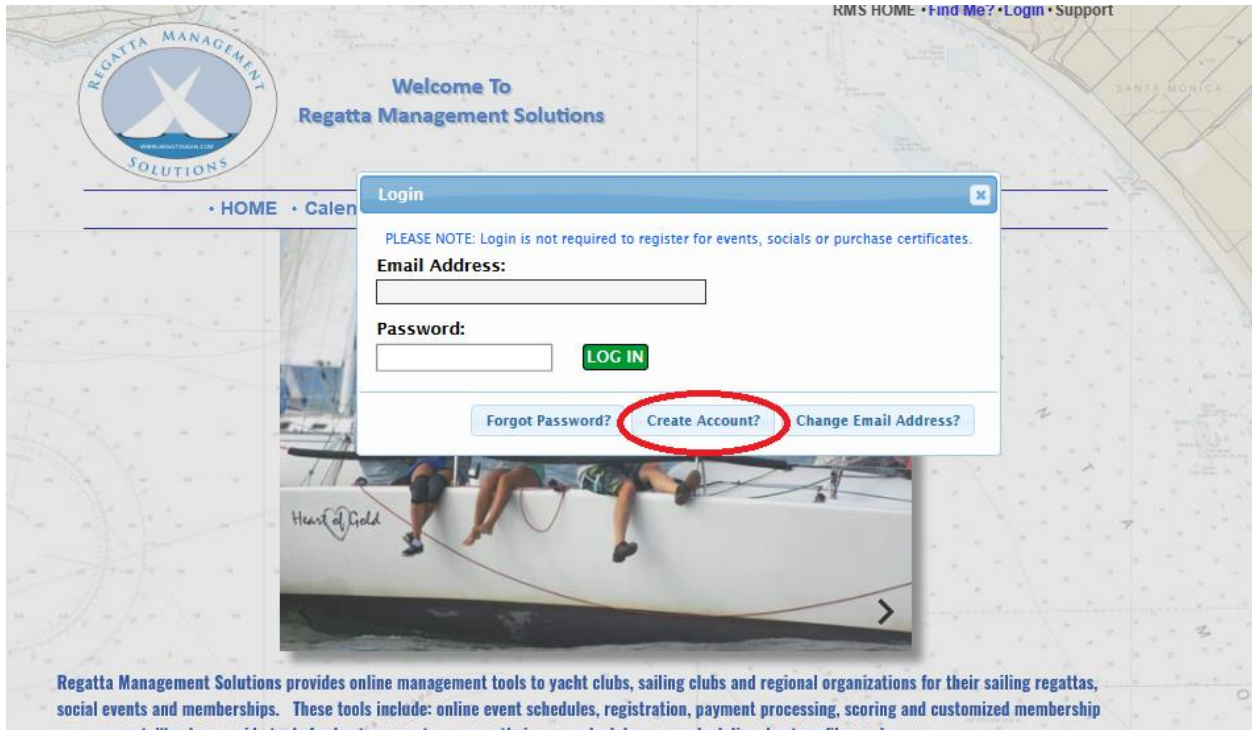

2. Or via <http://hullyc.org/>

The login process is identical and the landing page it takes you to is the same.

Enter the primary email address associated with the account.

If this is your first-time logging in there is a one-time activation step. Click on 'Create Account?'.

Enter your primary email address submitted when you requested to join the club.
